

CHRISTIANA CARE HEALTH SERVICES

| | |
|-----------------------|---|
| POLICY: | Communication Technology and Support |
| DEPARTMENT: | GMEC |
| DATE OF ORIGIN: | January 22, 2001 |
| LAST REVISION DATE: | July 1, 2011 |
| REGULATORY REFERENCE: | ACGME |

POLICY:

CCHS shall provide access to adequate communication technologies and technological support, to include at least computers and access to the Internet, for all residents.

PURPOSE:

To define the level of communication technologies and technological support for residents.

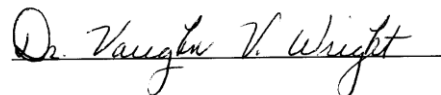

SCOPE:

All graduate medical education programs at CCHS.

PROCEDURE:

The Graduate Medical Education Committee shall monitor communication technologies and technological support for all residents, and ensure adequacy. Issues concerning communication technologies and technological support shall be brought to the Information Services Department by the DIO, as necessary.
