

CHRISTIANA CARE HEALTH SERVICES

POLICY:	Monitoring of ACGME Communications
DEPARTMENT:	GMEC
DATE OF ORIGIN:	October 26, 1994
LAST REVISION DATE:	July 1, 2014
REGULATORY REFERENCE:	ACGME

POLICY:

The GMEC shall regularly review all letters of accreditation and monitor action plans for areas of non-compliance.

PURPOSE:

To define the responsibility of the GMEC in monitoring accreditation communications.

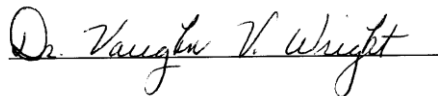

SCOPE:

All graduate medical education programs at CCHS.

PROCEDURE:

It is the responsibility of each program director to inform the Graduate Medical Education Committee of the results of the program's Residency Review Committee self-study and review. The Graduate Medical Education Committee will secure any and all resources necessary to support a program required to take corrective action and will provide follow-up to assure fulfillment of the recommendations of the program's Residency Review Committee and compliance with the Essentials of Accredited Programs in Graduate Medical Education.
