

CHRISTIANA CARE HEALTH SERVICES

POLICY:	Performance Improvement
DEPARTMENT:	GMEC
DATE OF ORIGIN:	January 23, 2001
LAST REVISION DATE:	July 1, 2014
REGULATORY REFERENCE:	ACGME

POLICY:

CCHS shall ensure that formal quality management and performance improvement programs are in place, and that there is a review of complications and deaths on services used for resident education.

PURPOSE:

To define the necessity of performance improvement programs on services used for residency education.

SCOPE:

All CCHS services with graduate medical education programs.

PROCEDURE:

Program directors shall ensure that residents receive regular instruction in quality management and performance improvement. Regular reviews of complications and deaths, including autopsy findings should be included in all resident education.

Compliance with this policy will be sought at the time of each program's GMEC Annual Program Evaluation.
