

When entering the campus from Rt. 58, stay in the right turn lane, and follow the road as indicated above. You may **park** in the parking garage or in Lots B or C. Please enter the building at front of the Heart and Vascular building (at the **blue** arrow). Once you are inside the hospital, go to the left and follow the hallway around to the John H. Ammon Medical Education building and take the elevator to the second floor. Our suite is to the right when you exit the elevator and through the glass doors at the end of the hall.
